

Death Ends Useful Life For Mrs Ezell Tuesday

Country Club Membership Drive Nears Completion With Quota Nearing Fill

Sixty-seven members have now been processed for the Lakeview Country Club in their membership drive, with a quota of 150 set as a maximum membership in the organization.

Object of the membership drive is to provide the course with a clubhouse of modern design and building of grass greens on the golf course.

Plans are being drawn for a 50 foot by 70 foot concrete tile clubhouse to be erected on a concrete slab. Flat type roof is intended with overhanging eaves that will make the building somewhat modernistic in design.

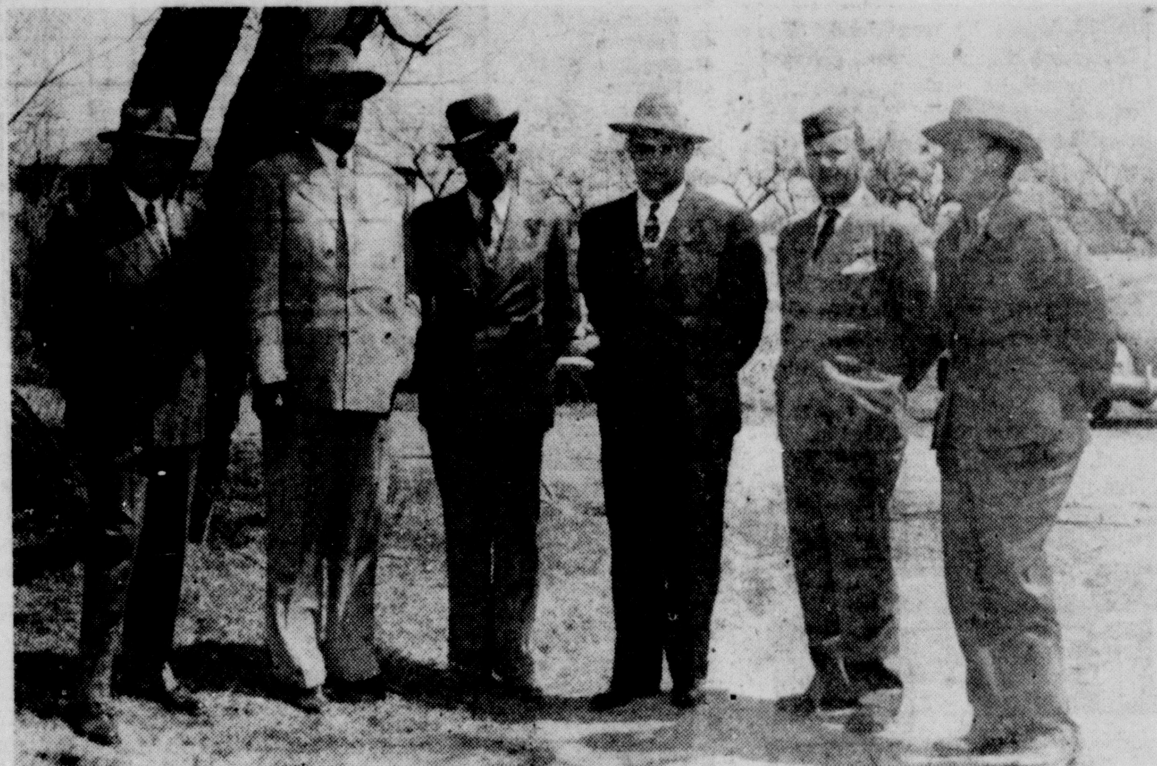

A well-known golf professional has submitted estimates of cost of construction of grass greens and the club in session Tuesday night decided that these plans might require some modification to reduce initial expense. Present plans call for efficient watering of all greens to make them playable regardless of weather conditions.

Methods of making the projected clubhouse available for civic gatherings were discussed at the Tuesday night meeting. This form of civic building would furnish Hamlin with a much-needed feature that will be felt to a greater degree as growth continues.

Future plans of the club include a swimming pool that will be attractive to non-golfing members of the club.

Names of prospective members were assigned to various present members of the club and a concerted drive will be made immediately to pass the 100-mark in signed up members. Well over the number necessary to reach this total have already signified an intention to join the club and little doubt is entertained that this portion of the quota will be filled.

There is some belief among club members that possible prospects have not been approached and they are seeking voluntary enrollment from this group.

Pictured above is a group of Rotary, Lion and V. F. W. officers who met last week with others of the clubs at the city park to hear the senior vice commander of the

V. F. W. speak. Left to right Pat Marlow, Rotary president; Julian Dixon, Abilene, state department commander of V. F. W.; A. G. Irwin, Lion president; Charles Rawls,

senior national vice commander of V. F. W.; C. W. Gold commander local V. F. W.; Clyde Huff, director of local V. F. W. About 150 members attended.

Continued Rains Paint Rosy Hue to Season Crop Prospects In Hamlin Area

The rains came to Hamlin and the major portion of Jones County Tuesday and Wednesday nights and prospects for a standard wheat crop are again good.

Official rain gauge at the Hamlin water pumping station recorded 22 inches of rain for Hamlin Tuesday night with a greater fall recorded to the north of the city. In some areas within a five mile northern radius from 81 of an inch to a full inch of rainfall were reported for Tuesday night.

Wednesday night brought a return engagement in greater quantity and 91 inches were checked at the station by Water Commissioner O. D. Roland.

This brings the total rainfall for the area to 1.13 inches for the two nights and despite cold winds which developed Thursday, rain continued to fall throughout the day.

Travelers entering Hamlin from all directions Wednesday night told of consistent rains throughout this portion of the state.

No noticeable effect from the rainfall is apparent at the new lakes as yet and it is expert opinion that considerable more rain must fall before the level is raised in these sources of city water supply.

Community Unites In Tribute Paid

Hamlin, Jones County and the state sorrowed at the news of the passing of Mrs. J. W. Ezell on Tuesday, April 11 at 3:45 p. m. Death followed a lingering illness that had left her host of friends anxious as to her welfare.

Mrs. Ezell had been a benefactor to a tremendous group of public and private groups throughout the state and her influence for good had made itself felt throughout the section.

She had been active as a director in the F. & M. National Bank until restrictions of poor health prohibited her attendance at directors meetings. Her zeal to perform her duties personally led to her resignation from this board when she could no longer attend.

Death was anticipated for this pioneer figure and Hamlin citizens were notified of her passing by ringing of the chimes on the First Baptist Church, of which she had been a very active member.

Lela Tate Ezell was born January 31, 1889 in Cuba, Alabama, where she received her education in public schools. She attended Montevallo College in Alabama and then she taught school until her marriage in 1903 to J. W. Ezell. Immediately after her marriage she and Mr. Ezell came to West Texas to establish a home and to pioneer in the west.

She was converted when she was young and she joined the Baptist church at that time. She had been an active member of this church in Hamlin since 1907. She served as president of the W. M. U. and as a teacher in the Sunday School. Just recently she resigned her place as teacher of a group of primary boys in the Sunday school.

Even though she had no children of her own, she was a godmother to all of her nieces and nephews, taking an active and aggressive interest in each one's education, problems and achievements.

Mr. Ezell preceded her in death six years ago. She is survived by two brothers and two sisters and by three nephews and one niece. Brothers are J. V. Tate of Meridian, Mississippi, and G. W. Tate of Lubbock. Sisters surviving are Mrs. M. P. May, Hamlin and Mrs. Louis Rector, McCauley.

Nephews are Tate and John May of Hamlin and Robert May of Colorado City and the niece is Mrs. Clyde Angel of Hamlin.

In addition to the entire community, business houses of which closed for funeral services, many from out of town were here for final rites. These included:

Mr. and Mrs. Jene Wagner, Dallas; Miss Frankie McIntosh, Abilene; Dr. and Mrs. R. N. Richardson, Abilene, Dr. and Mrs. C. C. Rister, Norman, Okla., Dr. and Mrs. J. Frank Johnson, Rotan; Mr. and Mrs. R. A. May, Colorado City; Mrs. C. L. Ezell, El Paso; Mr. and Mrs. R. C. Ezell and children, Anson; Mr. and Mrs. Mulkey Furrer, and daughter, of Haskell.

Mr. and Mrs. Roy Cupert, Waco; Mr. and Mrs. G. W. Tate, Lubbock; Mr. and Mrs. G. W. Tate, Jr., Lubbock; Sammy Tate, Lubbock; Miss Jerry Rivers, Lubbock; Mr. and Mrs. George Tate, Lubbock; Mr. and Mrs. Johnny Tate, Lubbock; J. V. Tate, Meridian, Miss.; Mr. and Mrs. Lelton Clifton, Imperial; Mr. and Mrs. Louis Rector, McCauley; Mr. and Mrs. Charles Ferguson, McCauley; Mr. and Mrs. Roy Parsons, Roby.

Mrs. Charlie Ferguson, and family, McCauley; Mr. and Mrs. Cecil Woods, McCauley; Mr. and Mrs. J. W. Woods and family, Odessa and Mr. and Mrs. J. R. Angel, Rising Star.

Mr. and Mrs. J. B. Blocker, of Christoval are visiting in the W. L. Cash home. Mr. Blocker is trustee of the peace at Christoval.

Mr. and Mrs. Harry W. Pitzer, of Chickasha, Oklahoma, spent Easter holidays in the home of Mr. and Mrs. H. O. Cassie.

Cardinals Romp In Season Opener

In the first practice tilt of the season Hamlin Cardinals murdered Snyder pitching and walked away with a 17-7 ball game last Sunday in Snyder.

Although lack of practice prior to the game was apparent on both clubs, the Cardinals displayed a much better balanced nine than that furnished by the opposition.

Glenn Adair, recently returned from tryout with the Lubbock Hubbers at Donna, pitched the first seven innings of the game and allowed only two hits over that route. Two runs resulted from the hits combined with Cardinal misplays.

Duck Weaver had a perfect day with the willow in the game, getting six hits in six times at bat. Weaver, playing manager of the local club, hit one home run, three triples and two doubles.

There is some possibility that the same two teams may play a return engagement in Hamlin Sunday but no verification of this billing could be obtained.

World Record Dog Is New Hamlin Citizen

"Shag", bird dog which recently had world-wide newspaper write-ups is a new Hamlin citizen who moved here about two weeks ago with his master E. D. Ashley, who works for the Parker Drilling Company here.

The dog as most dog lovers will recall holds the worlds record for doing without food and water for 45 days.

"Shag" fell into a well 16 feet deep in Homer, Louisiana on July 3 and was found August 19 after his master and several others had searched fruitlessly.

Ashley said he pulled snakes from the dog when he rescued her and that she weighed about 10 pounds. He then fed her 66 raw eggs and she is now in good health.

"Shag" visited a Herald reporter and seemed to be in excellent shape.

County Clerk Says 500 Additional Cars

An increase of more than 500 cars are being driven by Jones County residents the 1950 registration discloses, County Clerk Elzy Bennett.

A total of 7,966 licenses for passenger cars had been issued at an early report this week and several stragglers were still coming in.

Registration for 1949 totaled 7,425, indicating that a number of cars previously not registered in the county are this year. Also new residents and dealers of used cars helped to boost up the figure.

Jerry Huff, Infant Has Hamlin Burial

Jerry Lyle Huff, age 5 months, son of Mr. and Mrs. O. W. Huff of Gorgor died suddenly at his home Saturday April 8.

The child is survived by his parents, Mr. and Mrs. O. W. Huff, one brother, Donald Gail, two grandparents, C. B. Ails of Hamlin and Mrs. M. M. Ails of Borge and a number of aunts and uncles.

Funeral services were conducted at the Hamlin Calvary Baptist Church by Rev. Charles McDowell at 1:00 p. m. Monday.

Interment was in the East Cemetery under direction of Barrow Funeral Directors.

Baptist Revival To Continue Through April Twenty Third

First Baptist Church of Hamlin is in the midst of a fifteen-day revival meeting which is slated from April 9 through April 23.

Rev. Gordon Paschall, pastor of the River Avenue Baptist Church, Indianapolis, Indiana, is the revival preacher for the meetings and is being assisted by Rev. A. R. Posey, local pastor. Kenneth Hill is the revival singer.

REV. GORDON PASCHALL Paschall's church in Indianapolis has two missions and sponsors a radio program. He is also at present writer of two religious columns, one of which he has been writing for seven years for the Athens, Texas, News.

Audiences at meetings already conducted in the series report that Paschall is a very forceful speaker.

GIN PAYS \$4 DIVIDEND

Neinda Farmers Cooperative Gin returned \$4 a bale to producers on 6,566 bales of cotton ginned at Neinda during the 1949 season.

G. B. Howington was admitted Monday to an Abilene hospital.

Completions And Failures In Fields

Good and bad was the late oil news in this portion of Jones County.

Atlantic Refining Company, No. 5 Pardue was considered as dry and abandoned at a depth of 4520 feet in the Canyon sand. The well had a showing that was short of commercial requirements for production.

Round Top Oil Co. Poe No. 8 is drilling plug in the Canyon reef and cellar and pits have been dug for drilling of a twin in the Swastika sand.

Round Top Oil Co. Buckner Orphans Home No. 5 is setting pipe in the Canyon reef.

Texas & Pacific Coal and Oil Co. Redus No. 5 is testing in the Canyon reef and is running low without a show which may define the boundaries of the field on the south.

General Crude Oil Co. Y. Flores No. 8 has hit the Canyon reef and set pipe, which indicates a producer.

Ungren & Frazier Joe Culbertson No. 3 is drilling at 4000 feet and is drilling ahead with no oil show as yet.

Lester Duffield Bingham No. 1 is drilling at 2000 feet. This well is being drilled in a triangle one mile from the Farnsworth field. Location is about 10 miles south of Hamlin.

Seaboard Oil Company W. F. Martin No. 1 is drilling below 1000 feet.

Paint Creek Water Meet Will Draw Hamlin Interest

Hamlin along with eight other area cities will give their views at Stamford Friday (today) on the Reclamations Bureau's proposal to build a \$7,880,000 reservoir on Paint Creek.

Other towns to send delegates are: Haskell, Rotan, Benjamin, Throckmorton, Avoca, Roby and Anson.

Plans for the reduced project, along the upper Brazos water shed, after other communities withdrew because of their distance from the proposed reservoir and higher water costs, will be presented by Harry Burleigh, a State planning engineer for the Reclamation Bureau at Austin.

He is expected to get his answer from these other cities to day.

Water demand is estimated for these cities expressing their interest is set at 6,000 acre feet per year with storage capacity of the reservoir being 25,000-30,000 acre feet.

Bituminous is soft coal.

Band Banquet Due For Session Tonight

Hamlin high school band will be feted at a banquet to be held tonight at 8:00 p. m. at the high school cafeteria.

The group has enjoyed a very successful season under the leadership of Walter Chalcraft and will draw many replacements in the future from elementary school organizations.

Varied Speakers Conduct Services At Church of Christ

A series of lectures and sermons will begin at the Hamlin Church of Christ, Monday evening, April 17 at 7:30 p. m. and continue through Saturday evening, April 22. General theme of the lectureship will be "The Church With Relation to Urgent Problems."

Congregational singing will be under the direction of Harold Fletcher of Abilene.

"We are extremely fortunate," Lee E. Rawlings local minister, stated, "in securing each of these outstanding speakers and we extend an invitation to all in this and surrounding areas to come and get acquainted with each of these men and enjoy these vital lessons with us."

A complete list of the series is carried in this week's Herald in an advertisement announcing the lectures.

Louise Bevels of Loving New Mexico, daughter of Dorothy Bevels of Hamlin, won a loving cup as the best clarinet player in the school band. She goes to Roswell, New Mexico, Saturday to compete further.

Scholastic Census Indicates Growth

Figures just released on totals of the school census just taken for Hamlin reflect that school enrollment locally has grown for the coming year.

This growth is contrary to general reports from over the state and would indicate that Hamlin is to have an even larger enrollment at the beginning of the fall term.

Tallies recorded indicate that the following age groups have been counted for the consolidated district:

1 Year.....	109
2 Years.....	114
3 Years.....	107
4 Years.....	81
5 Years.....	98
White Scholastics.....	1,088
For the colored school the count was:	
2 Years.....	12
3 Years.....	9
4 Years.....	11
5 Years.....	12
Colored Scholastics.....	148

This is the first year that potential students have been counted and the White Scholastics total 1,088 and 136 new beginners for next year who are now six years old. Last year's enrollment of white scholastics was 980 and colored scholastics totalled 136.

JUST A WORKOUT

The Pied Pipers went to Throckmorton Tuesday afternoon to inaugurate their baseball season. With little opposition from the Throckmorton nine, the high-flying local club scored a 25-0 victory.

Dean and Goodgame combined their pitching in two and three inning stints to hold the opposition without a hit.

COME QUICK SHERIFF, WE'VE CORNERED JESSE JAMES. . . The man known as Frank Dalton who now claims he is Jesse James (right), notorious Missouri outlaw of former decades, recently passed his 102nd birthday at the Hotel Henry Hudson in New York City. He said the man who was killed who was thought to be James was Charlie Bigelow.

Pied Pipers Slate Two Diamond Showings

Hamlin High School's Pied Pipers have tasted victory for the first time this season and hope to continue in the victory column this week with games scheduled.

Anson is to appear here Tuesday and a return engagement with Throckmorton will follow on Friday.

Development of Asa Goodgame in a pitching role will bolster J. Allen Dean, according to reports now circulating.

R. S. Whitely, 68 Passes Suddenly After Heart Attack

Robert Samuel Whiteley, 68, resident of Hamlin for 42 years, died at his residence Monday morning from a heart attack at 9:30 p. m.

Funeral was conducted Tuesday afternoon at 3:30 p. m. at the residence with Dr. Will C. House, local Methodist pastor, officiating.

He was born in Bell County in 1881 and moved to Jones County in 1907. He had formerly been in the real estate business until he retired several years ago.

Mr. Whiteley had been in ill health for several years and had been confined to his bed three weeks.

Survivors include the following: J. M. Whiteley, a brother of Hillsboro; three sisters, Mrs. Byrd W. Creechmore, Misses Allie Whiteley and Pearl Whiteley all of Hamlin.

Pallbearers were: D. D. Crow, Fred Moore, John Walton, Buren Carlton, Perry Sparks and C. P. Yates. Honorary pallbearers included: Joe Morgan, E. R. Daniels, Fred Carpenter, C. G. Green, O. H. Berry, Tom Routh and Joe Culbertson.

Burial was in the East Cemetery under direction of Maples Funeral Home of Kermit.

Celotex Church To Conduct Meetings

E. L. (Fate) Redden, Abilene, an able and forceful speaker, is to conduct revival services at the Celotex Baptist Church. First of the week of services will start Sunday at 11:00 a. m.

The meetings will be conducted daily and on the opening and closing Sundays for both morning and evening services. Weekday gatherings will be at 9:30 a. m. and 8:00 p. m. and Sunday services will commence at 11:00 a. m. and 8:00 p. m.

The Celotex pastor, Rev. A. S. Watson is to assist in the meetings. The church meets in the Community building.

M. D. Carlton, principal of the Elementary school, left Wednesday for Austin to attend the Elementary principals' state conference.

Brad Rowland, Jr., returned to Hamlin Sunday from McMurray college for the Easter holidays.

No Ceremony For Installation of New Governing Body

No ceremony marked installation of Hamlin's new mayor and one new councilman at Monday night's meeting of the governing body.

B. M. Brundage stepped up to the mayor's post from his former council position and J. B. Terrell, Jr., was installed as a new member of the council family.

B. M. BRUNDAGE

Brundage succeeds Holly Toler as chief executive of the city after Toler declined to run for reelection to the post.

Toler expressed his satisfaction in the cooperation he had enjoyed from the citizens of Hamlin in the administration of his office and said that he leaves the office with a remembrance of a tenure that has been without incident other than pleasant teamwork from both his council and the voters of the community.

Business transacted by the installed group was of a routine nature and no new projects were up for discussion.

Sewer Facilities Reach Edge of Holman Tract

Extension of standard sewer service to the section of Hamlin containing the Holman Addition will be completed this week if work can be performed according to schedule.

City planners had established a line running from Southwest Fourth Street and Avenue E in a west and northerly direction would be the most direct route for laying of the 10-inch sewer line.

Completion of the line will furnish that portion of Hamlin in the Holman Addition and surrounding neighborhood with adequate service. Growth of the city in that direction had proved the former lines as too small.

McCauley Revival Has Sylvester Pastor

McCauley Baptist Church is holding a ten day revival which begins Friday, April 14 and will continue through April 23.

Reverend C. R. Blake, Sylvester is conducting the services. A cordial invitation is extended to the public.

THE LEOPARD'S "FREE"

LUNCH

Once upon a time there lived in the jungles of northern India a handsome young leopard. He roamed the dense virgin forests carefree and happy, with a zest for living and with that love of freedom which is intense in all members of the animal kingdom, including man. When he had learned to protect himself against the elements and jungle denizens, there remained for him only one real problem—food.

Early in life the leopard learned to forage for his breakfast and supper. He learned too that appeasing hunger didn't come easily. This always required physical exertion and the use of his jungle

bred intelligence. He learned, in fact, that satisfying all his wants sometimes was most difficult, but this knowledge only made the young cat work the harder.

Something for Nothing, Eh?
Bounding through the great forest, like a character in the Tarzan stories, our leopard grew to young adulthood, sleek, lithe and sinewy, a powerful and beautiful creature of 175 pounds. One day while roaming happily thru a vine-hung stretch of forest, the big spotted cat caught a tantalizing scent on the down wind—raw meat. He wasn't too hungry but he swung along the scent trail to investigate.

At the edge of a clearing the leopard came upon the meat. It was a rich red hunk, odorless, tempting, asking to be taken. The cost? Nothing! The leopard circled it, sniffing. The animal really wasn't hungry, but here was something to good to pass up. He licked his chops and stepped in for the feast. Wham!

The trap door worked. Four months later the leopard was the star attraction at the Oklahoma City Zoo, in an 18 foot deep concrete pit.

Zoo—A Good Provider
The zoo provided the captive with a mate, a beautiful leopardess. The spotted prisoners liked each other and they seemed resigned to make the best of things. Zoo Director Julian Frazier was delighted. He took a fancy to them. They got shelter, protection, cold running water and an eight-pound hunk of juicy horse meat every morning. No worries at all. But the big male leopard from the jungles of India got restless. He longed for the soft shady floor of the forest and the wind rustling through tree boughs. A basic instinct was at work. He longed for freedom.

Late one afternoon, driven by this powerful instinct, the leopard made a single incredible leap, cleared the moat, the 18-foot high pit wall, and regained his freedom.

While the hue and cry of the whole countryside was raised in pursuit, and front pages bannered the story from coast to coast, the leopard hid by day and roamed the woods by night—free. For three days he was lost to the world. But in those woods game was scarce. And thoughts of the lonesome mate drew the big fugitive back to the zoo area.

The Bait Attracts Again
It was moonlight when the animal reached the encircling fence. One leap and he was within the zoo grounds and approaching the pit. He sent a whining call to his mate. But—ah, ha! The scent of raw meat intruded. Two big hunks of horse meat lay at the pit's rim. With a growl the big cat closed his jaws on a four-pound piece—another free lunch. The meat disappeared. The leopard attacked the second hunk, devoured it. Then, satisfied, he became strangely drowsy. He staggered down a runway and collapsed, asleep.

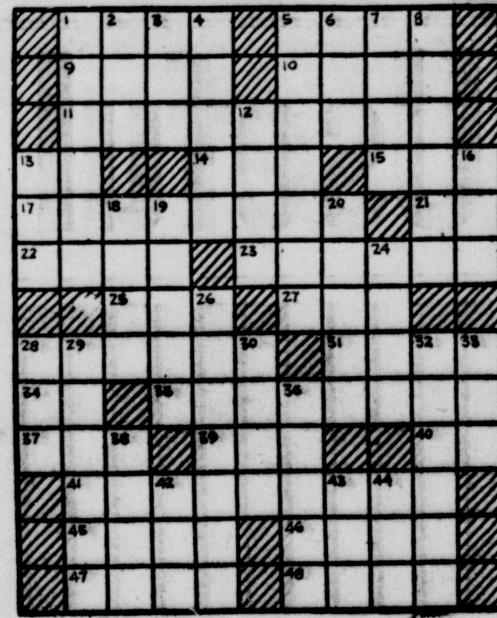

The captive from India never again regained his senses. Within 15 hours he was dead. Zoo Director Frazier was grieved. The meat, he explained, contained a sleeping potion. And the leopard at more than expected. Of course the zoo officials had only wanted to capture their leopard, protect him, and provide for his welfare in their own way. "We didn't want to kill him," pined the late leopard's masters. "We only wanted to put him to sleep. We thought everything was working perfectly."

Are we Americans, like the leopard, trading our liberties for a free lunch?

Q—I have been disabled ever since my discharge from the Army two years ago, but only recently did I make application for compensation. If VA allows my claim, will payment be made retroactive to date of my discharge?

A—No. The general rule with reference to the effective date of award of compensation is

that it becomes effective as of the date of the application. If application is filed within one year from date of discharge, the award may be made retroactive to date of discharge.

Hill, April 6; Mrs. Frank Jackson, April 6; Buna Rountree, April 6; Villa Rountree, April 6; Mrs. Mary Ada Rountree, April 7; Hattie Mae Bolden, April 9; Mrs. E. W. Frost, April 10; Elouise Carrigan, April 10; Vickie Stiezer, April 11; Mrs. Lon Wilson Jr. and baby, April 11; Mrs. Archie Carson Jr. and baby, April 11.

Hamlin Births

Born to Mr. and Mrs. Lon Wilson Jr., a girl, April 7 in the Hamlin Memorial Hospital. She was named Sandra June.

Born to Mr. and Mrs. Archie Carson Jr., a girl April 8, in the Hamlin Memorial Hospital. She was named Janet Karen.

Mrs. John T. Kee was an Easter week-end visitor to John T. Kee, owner of Hamlin Automotive. She was accompanied here from Hugo, Oklahoma, by Mr. and Mrs. C. F. Talkington.

Census Will List Real Estate Value

Operators of farms in Jones County who own part or all of the land they farm will be asked to report the amount of real estate taxes paid or levied if not paid, in 1949 when answering the tax inquiry on the 1950 Census of Agriculture questionnaire. Like information will be reported by the more than 6,000,000 farmers in all parts of the country to provide statistics for the nation, each state, and all counties.

Farmers who own all or a part of the land they farm will be requested to report the market value of land and buildings owned by them. They will not include taxes paid on land rented.

In the 1940 Census, 2,385,087 farm owners reported real estate taxes amounting of \$150,765,492 on land and buildings having a total value of \$12,054,000. In 1930, 2,565,157 owner operators reported real estate taxes of \$238,939,589 on land and buildings valued at \$18,841,000.

Clovie Williams Home After Army Training

Pfc. Clovie J. Williams, son of Mr. and Mrs. C. A. Williams has returned from the Lackland Air Base at San Antonio where he has been training for the past 13 weeks.

After a 10-day furlough, he is to enter teletype school at Francis Warren Base in Cheyenne, Wyoming.

Mrs. Hoyt Hilton arrived from Tocomo, Washington by plane last week to spend a few days visiting.

BELLE WEARS BAGS

From barn to belle—that's the story of this cute cotton frock. It is made of good cotton bags that once packaged feed. The pretty dress is one of the fashions from the National Cotton Council's new 1949 fashion show of styles created from feed and flour sacks.

JOHN BEN SHEPHERD, 33-year-old Gladewater attorney, has been named one of the 10 outstanding young men in the United States for 1949 by the United States Junior Chamber of Commerce, the first time a Texan has been included on the list since 1936 when James V. Allred was selected. Shepherd gained worldwide fame during 1948 while serving as national president of the Jaycees. This year he won acclaim for originating the "Democracy Beats Communism" idea, known as the Gladewater Plan, which has spread over the country. More recently, he has been conducting a campaign for reorganization of the State government which he has dubbed "Our ox-cart State government with the fringe on top." Shepherd will receive his award at a banquet in Peoria, Ill., on Jan. 21.

Santa Fe Carloadings Show Small Increase

Santa Fe System carloadings for the week ending April 8, were 22,536 compared with 22,105 for same week in 1949. Cars received from connections totaled 11,670 compared with 11,172 for same week in 1949. Total cars moved were 34,206 compared with 33,277 for same week in 1949.

Santa Fe handled a total of 33,930 cars in preceding week of this year.

Ottmar Mergenthaler invented the linotype machine in 1885.

Housing Sought For Additional Oil Crews

Twelve additional families are slated for arrival in Hamlin as soon as housing can be obtained according to D. E. Cleveland, advance man for the Atlantic Refining Company.

The company has instituted a program of intensive core drilling of their properties in this area and crews now stationed in Sweetwater are scheduled to be moved here.

Efforts are being made to obtain suitable housing for the group and chamber of commerce cooperation was solicited in finding these accommodations.

Mrs. E. M. Wilson, secretary has issued a call for listings of suitable units immediately.

Henry Holloway has returned from a business trip to Tennessee and Missouri.

Robert Koch first isolated the tuberculosis germ.

RUPTURE SHIELD EXPERT HERE

H. M. SHEVANN, widely known expert of Chicago, will personally be at the Wootin Hotel, Abilene, Wednesday and Thursday only, April 19 and 20, from 9 a. m. to 4 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.

6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

S. A. Bailey, 85, Dies At Wink, Formerly Hamlin Resident

Funeral services were conducted at the First Methodist Church at Kermit, April 2 for S. A. Bailey, 85, of Wink, formerly of Hamlin. Mr. Bailey died at a Wink hospital after an illness of six days.

He had been justice of peace of Winkler County for eight years before retiring about a year ago. He was survived by five sons and five daughters all of whom were at his bedside.

They are: A. G. Bailey, Taylor; R. V. Bailey, Grand Saline; A. F. Bailey, San Angelo; Jim Bailey, Wink; Gene Bailey, Goldsmith; Mrs. E. L. Carnes, Hamlin, Mrs. Inell Williams, Odessa; Mrs. Opal White, Odessa; Mrs. Eune Mil-sap, Andrews; Mrs. Mildred Franklin, Smyre.

Rotarians See Films At Weekly Luncheon

Hamlin Rotary Club this week saw two movies during the noon luncheon.

Bob Nunley, elementary school coach, showed the films from those used by the school.

They were entitled: "Malay Peninsula—Its People and Products", in color. Next was entitled, "Futura".

Two new members were given their initiation. They were: John Kee, and Weldon Johnson.

Several visiting Rotarians were in attendance from local towns.

Funston Cemetery Due For Cleanup

J. C. Fielder, president of the Funston Cemetery Association, announced early this week a cemetery cleanup project, Monday, April 17, beginning at 8:30 p. m.

Workers are asked to bring their own tools, Fielder said; spades, hoes, shovels and rakes will be needed to eliminate untidy grass and weeds.

Noon meal will be provided by each worker, he further stated.

Continuing further, Fielder said "Neglected condition of the cemetery resulted from a deficiency in maintenance funds."

50,000 Miles - No Wear!

1. Five Years' Driving in 70 Days! Racing over hot Mexican-border highways . . . 14 hours a day for 10 weeks . . . six brand-new cars put amazing new Conoco Super Motor Oil to one of the toughest tests ever devised. After 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts! Original factory finishing marks were still visible on piston rings!

2. New-Car Gasoline Mileage! Amazing result: gasoline mileage for the last 5,000 miles of the run was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon! This astounding test—equal to 5 years of normal mileage—showed that Conoco Super Motor Oil, with regular care and proper crankcase drain intervals, can keep your new car new!

3. New-Car Power! Quicker Starts! Yes—Conoco Super Motor Oil's extra protection keeps that factory flash . . . that showroom smoothness . . . year after year! Only Conoco Super Motor Oil OIL-PLATES metal surfaces to make your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts . . . keeps your engine new and clean! Conoco Super Motor Oil is the great new modern wear-fighter!

Lions Club Members Addressed by James

Lions Club members were addressed at their regular Tuesday session by Joe James, area economist from the West Texas Utilities company.

James was furnished for the program through the efforts of John Womble, manager of the Abilene Chamber of Commerce.

The speaker urged that each community realize the importance of individual solution of their own problems without the aid of state or national bodies. It was stressed that residents of the area were far more familiar with the needs of their communities and should recognize the resources that their particular locality could offer.

Proper exploitation of these resources was described as preferable to haphazard search for a synthetic benefit.

Bob Bledsoe Chosen To Role in McMurtry Play Production

Bob Bledsoe, son of Mrs. Margaret Bledsoe of Hamlin, has been selected to play a major role in Shakespeare's "Macbeth" at McMurtry College, Abilene, next month according to a report from the college.

The play is slated for May 1-5 at McMurtry and May 6 in Odessa. Bledsoe will play the role of Malcolm.

There are to be a total of 52 costumes and three different sets

State Officer Lauds Power of Press

A highly placed state official has given Texas newspapers a pat on the back.

State Health Officer George W. Cox, in a report to The Herald, veteran of more than 13 years as head of the State Department of Health, called the Texas press a "more potent force in mass public education" he said his department invariably turns in that direction—as the first means of reaching the people with information on health subjects.

"Texas newspaper editors and reporters have consistently shown an awareness of public health problems and have given unstintingly of much valuable space to stories relating to public health," Cox said.

"I can define public health in three words—mass public education," the health officer said. "Without newspaper cooperation such education is literally an unobtainable ideal."

Pointing out the custom of rural people to read their local weekly or semi-weekly thoroughly, Cox said he was especially happy that these papers used state and local health department releases.

"It's one of the most valuable services a paper can render its readership, but then maybe I'm a bit prejudiced," he observed.

Silver is the best conductor of electricity among the metals.

HD Clubs Meet in Anson for Clothing Instruction Course

Clothing leaders and demonstrators met in the county agent's office Friday, March 31 at 2:30 in Anson.

Program was on Pest Control and Storage of Clothes.

Clothes should be stored in a closet that is light and has some narrow and wide shelves. The life of clothes moths were discussed with ways of control being stressed. Demonstrations were given on proper storage of garments not in use during the summer.

Following leaders attended and will give the program to their clubs, Miss Allen reported. Mrs. Leroy Schuchert, Mrs. Henry Cook, Mrs. Jimmy Muehlstein, Pleasant Valley; Mrs. E. E. Clark, Avoca; Mrs. George Q. Brooks, Mrs. Toff Herndon, Blue Bonnet; Mrs. Loyd Reece, Mrs. Ben Adkins, Comper; Mrs. Jewell Thomas, Neighborly; Mrs. Floyd Brigham, Mrs. J. L. Herman Jr., New Hope; Mrs. Clifford Spraberry, Mrs. A. B. Rainwater, Friendly Circle; Mrs. Ann Doty, Mrs. Earleen Harvey, Willow Creek; Mrs. Dee Carman, Mrs. Andy Spraberry, Harmony; Mrs. F. T. Moore, Mrs. Voy Moore, Hodges; Mrs. M. S. Johnson, Mrs. Cecil Brown, Freindship; Mrs. Lou Polnac, Mrs. Novel Baize, Tuxedo; Mrs. D. L. Butler, Mrs. B. T. Murfee, Goodman. Mrs. Sparks, home demonstration agent from Scurry County, was a visitor for the afternoon.

Seven from Hamlin Attend House Party

Seven students from Hamlin were on the Hardin-Simmons University, Abilene, campus the past week attending a house party for the Young Women's Auxiliary of Baptist churches.

Challenge of missionary work was presented to the group and an appeal was made for a large attendance at Ridgcrest summer encampment in South Carolina.

Margaret Bruce, Southside secretary of the YMA, Birmingham, Alabama, told the women that there was an unlimited challenge for them to serve in their communities and their schools. "We need to be willing to witness our habits, and the places we go." We can do this by our attitudes.

Approximately 120 young people of District 17 attended the two-day convention. Other speakers included Ruth Thornton, YMA secretary of Texas, Dallas; Mrs. Paul Turner, District 17 secretary, Sweetwater and Mrs. E. K. Bryan returned missionary to China.

Those attending from Hamlin were: Dorothy Altum, Eddie Decker, Barbara Posey, Eleanor Hutchingson, Janet Durham, Mrs. Ted Russell and Mrs. Jack Russell.

Mary Martha Class In Easter Session

The Mary Martha Sunday school class was entertained in Easter morning coffee by the class teacher, Mrs. E. N. Jenkins.

The class made their reports and were then served hot rolls and coffee by their hostess in her home. Those present included one visitor, Mrs. Elmer Stonecipher; one new member, Mrs. John Stonecipher and Mrs. Ben Wilcox, Mrs. Nig Stringer, Mrs. Delbert Rountree, Mrs. Edward Gardner, Mrs. Bill Maddox, Mrs. O. R. Riddell, Mrs. Marvin Rhoten, Mrs. L. J. Cunningham, Mrs. Clyde Carroll, Mrs. Grady Smith, Mrs. Cecil Brown, Mrs. J. H. King, Mrs. Jack Collins, Mrs. Glenn Hill, Mrs. W. Wallace, Mrs. Lean Irvin, Mrs. Henry Allbritton and Sigmond Stovall.

THE VILLAGE HAS A HEART

Dorothy Boys Kilian

THE CLOCK struck nine as Nola hung the last bauble on the fragrant green Christmas tree. Without even stepping back to admire the finished effect she went to the front window and peered out. A cold white moon illuminated a cold white earth. She shivered. How lonely she had been in this tiny, quiet village!

When she had written Jim two months before that she was being evicted from their apartment in Chicago he had answered, "I'm hoping against hope to be home from occupation duty in time for Christmas, and I can't think of any place more perfect than Pineville to spend the holidays and my terminal leave. Remember my telling you what happy summers I spent there as a child, and how I'd always wanted to see it in winter? Do investigate this, as a Christmas present for me, Nola darling."

So she had come here and found a house. But somehow she felt that the villagers had ignored her as an outsider.

And now it was Christmas Eve. "He's not going to make it and that's that," Nola thought miserably. She knew that he had landed at San Francisco three days before and had been trying desperately to get a seat on a train or plane.

"It's me, Doc Ryan. We're on your party line you know, and heard the good news. My wife thought I'd better take you over."

The telephone rang. "There's a telegram just come for you, Mrs. West, down here at the drug store. Very important."

"Yes?" Nola breathed. "Chicago, 8 P.M. Am catching train. Get off Shoreham five miles east of Pineville 10 P.M. love Jim." Nola leaned heavily against the wall and stared at the phone.

"Mrs. West, are you there?" Mr. Trotter, the druggist, sounded anxious. "Listen, you go out in the garage and get your car motor to warming up. My wife'll be up there in five minutes to stay with your little boy. Hurry now."

In joyful haste Nola peeked in at Jimmy—"Santa Claus is bringing you your Daddy, honey"—powdered her nose and put on her fur coat and boots.

CENTRAL HIDE & RENDERING CO.

The garage door stuck in its icy groove although she bent her whole weight against it. Suddenly, out of the darkness, a voice called. "It's me, Doc Ryan. We're on your party line you know, and heard the good news. I'm so used to driving out in all kinds of weather, my wife thought I'd better take you over."

"Dr. Ryan, I didn't realize 'til just now how I dreaded that trip alone."

A train whistle shrieked through the cold thin air as they drove up to the little depot.

"We made it!" Nola cried excitedly. "Come on." She held open the door.

But Doc muttered, "I'll stay here and keep my feet warm."

Now the huge black engine roared past, slowed down and slid to a stop. A coach vestibule door opened, and before the conductor could step down, a khaki-clad figure leaped onto the platform.

"Oh, darling, darling, darling," Nola's heart throbbed as she felt once more the thrilling warmth of Jim's arms around her. "Nola!" Jim said everything in that word.

A few moments later as they walked to the car a voice boomed from within, "Glad you made it." "Whoever you are—thanks," Jim answered. "It's people like you who made me want Nola to come to Pineville to wait for me."

"Get in and close the door. You're freezing me out." Doc grinned as he raced the motor.

"Christmas Eve," Jim said softly as they squeezed in with Doc. "You beside me, our baby just a few miles away, and a Christmas card place like Pineville to welcome us. Don't you love it there, darling?"

Nola glanced at Doc, thought of Mrs. Trotter and the others. "Yes, Jim, I do," she whispered. "I surely do."

MYF TO HOLD CAKE SALE

Methodist Youth Fellowship of the local First Methodist Church will hold a cake sale this Saturday, at 10:00 a. m. in front of Bryant-Link Company. Purpose of the sale is to increase funds of the organization and to start a fund for the annual trip to camp at Ceta Canyon in July.

Mr. and Mrs. Ben Townley, Fort Worth, returned to Hamlin for a visit with Mr. and Mrs. Everett Townley. Townley is a student at TCU.

Miss Jeanine Johnston, faculty member at Wichita Falls, returned to Hamlin for an Easter visit with her parents, Mr. and Mrs. H. A. Johnston.

Miss Suzanne Toler returned from McMurray college for an Easter holiday visit with Mr. and Mrs. Holly Toler.

Mr. and Mrs. Bennie Jones and Mr. and Mrs. Bill Adams, Abilene, were Easter visitors in the home of Mr. and Mrs. A. B. Carleton. The Mesdames Jones and Adams are daughters of the Carletons.

Pearl, Ava and Valeira Hudson and Mrs. B. E. Mixon drove to Lawton, Oklahoma, Saturday night for the famous Easter Passion Play presentation. They returned Sunday night.

Rotation of the earth on its axis is from west to east.

Mr. and Mrs. Hob Hunter attended sunrise Easter services at Santa Anna.

Mrs. Harry Carmichael and son, Richard, spent Easter in Dallas.

FOR ATHLETES FOOT USE T-4-I. BECAUSE—IN ONE HOUR,

You see results toward healthy, hardy feet. With T-4-I, you feel the healing qualities start to work. Ask your druggist for this sturdy, proven medicine. It penetrates quickly to reach imbedded infection. Now just 40c at Reynolds Drug Store. (4-1-23)

years.**State Retail Sales
Show Rise Over
Previous Year**Texas retail sales in February
rose one per cent from January
to a estimated \$401,056,000, an
11 per cent gain from January
1949 according to a report received
by The Herald from the Uni-
versity of Texas Bureau of Busi-
ness Research.Sales of durable goods stores
stepped up five per cent in Feb-
ruary from January and rose 25
per cent from February a year
ago.Automotive stores turned in the
largest January-to-February rise
in durable goods sales—eight per
cent. During the monthly peri-
od sales of building materials,
lumber and hardware rose four
per cent. Jewelry store sales fell
seven per cent, while sales of
furniture and household goods
dipped four per cent from Janu-
ary.In comparison with February
1949, jewelry store sales slid 20
per cent. On the other hand,
automotive sales gained 30 per
cent; building materials, lumberand hardware, 25 per cent; and
furniture and household goods, 12
per cent.Total non-durable goods store
sales slipped four per cent in Feb-
ruary from January and dipped
one per cent from February 1949.Almost all stores in the non-
durable goods group turned in
January-to-February sales de-
clines. Sales of office, stores and
school supply dealers dropped
eight per cent, while apparel
store sales slid seven per cent;
eating and drinking places, four
per cent; department stores, four
per cent; and general merchan-
dise, three per cent.Florists' sales rose 10 per cent
from January to February, while
sales in drug and food stores gained
fractionally.Compared with February 1949,
drug stores registered a seven
per cent increase in February
1950. Other February-to-Feb-
ruary gains were recorded by gen-
eral merchandise stores, two per
cent; and office, store and school

supply dealers, one per cent.

During the 12-month period
sales of department stores fell
five per cent; eating and drinking
places, three per cent; country
general stores, three per cent;
apparel and food stores, two per
cent; and florists, one per cent.Mrs. S. G. Carruth of Port Arthur

MYF Holds Sunrise Service and Breakfast

Methodist Youth Fellowship of the Hamlin First Methodist Church held a sunrise service and breakfast on Easter Sunday. Service was conducted by Dr.

Will C. House, pastor, in the city park. The group returned to the church for breakfast.

Ladies that helped with the breakfast were: Mrs. L. H. McBride, Mrs. J. Mills, Mrs. W. B. Elkins and Mrs. Brad Rowland. Those attending the service and

breakfast were: Patricia Rimmer, Larry Rimmer, Wiley Rimmer, Dan Rimmer, Donald Rowland, Susanne Hudson, Bennie Elkins, Rose Brady, Jimmy Feagan, Kay Bessire, Brad Rowland, Dr. Will C. House and Wesley Nail, counselor.

Three-Act Comedy, "Aunt Silly" to be Presented by Firemen's Auxiliary

A famous comedy success, "Aunt Silly" will be presented in Hamlin under the sponsorship of the local Firemen's Auxiliary, April 20 and 21 at the High School Auditorium at 8:00 p. m.

Benefit is to raise funds for the Hamlin firemen.

Aunt Silly is portrayed by Frank Harrington, who finds himself impersonating a lady named Aunt Silly. He is very disgusted with the mayor of the town, played by Dr. Joe McCrary, and doesn't mind showing it.

The mayor goes in to conspiracy with Irene Stacy, played by Noddy Hassen and Ruth Harney, played by Joan Johnson.

In order to try to get Aunt Silly to give the town a new park and recreation center the mayor invites the great Senator Pompos, played by Jiggs Gold, to attend a party in her honor. Mose, a colored anitor, played by Clyde Riley, gets telegrams mixed and chases chickens. Mrs. Loftus is portrayed by Fern Coltharp who is too, too thrilled with having a senator in her town. She has a brat of a daughter, Angelina, played by Mavis Bond.

Irene and Al Brady, provide the love interest. John Edwards plays Al. Mrs. Jack White, the real Aunt Silly, finally shows up to save the situation.

A dance revue by the seventh an eighth grade girls, a picture dance by member of the High School, a Mother Goose Show by the under school age youngsters, many specialty numbers and a Sports Revue by the Firemen's Auxiliary. Several other specialties and shows are included in the show.

the show, all local talent.

Tickets will be sold by the Boy Scouts, Campfire Girls and Bluebirds, Firemen and Auxiliary.

In connection with the show the Boy Scouts will choose a king, Girl Scouts a queen and the Bluebirds a princess in a contest.

Crowning will be after the last performance and votes are counted by the penny method.

RUNS FOR STUDENT PREXY.

It was announced this week that Brad Roland, Hamlin's little All-American halfback, has been nominated for president of the student council at McMurry College, Abilene. He is a junior business administration major. Last year he was president of the sophomore class.

Mr. and Mrs. Tommy Ellis, of Winters, were visitors in the Bill Rountree home for Easter.

It's a cotton spring all over this year. The girls are wearing cotton from their colorful printed shoes up to their little hats. For her Easter bonnet, Be Be Shopp, 1948 Miss America, chooses a flattering chapeau by Lily Dache in Everglaze cotton.

TRADED TO CATS.

Gleen Winslett, prominent Hamlin baseball player, has been released by the Abilene Blue Sox to the Ballinger Cats reports started early this week.

A celebrated whirlpool in the Arctic Ocean near the western coast of Norway is called the maelstrom.

Siamese twins are so called from two such children brought by P. T. Barnum from Siam.

Highest mountains in North America is Mount McKinley in Alaska.

Mr. and Mrs. Burnie Reid and son, Mac, spent the Easter holidays in Clovis, New Mexico visiting Mr. and Mrs. T. L. Thomas.

Mr. and Mrs. M. C. Wilson spent Easter in Midland visiting Mr. and Mrs. H. J. Nelson and daughter, Marijoe.

Smoked Ring Sausage, lb.	39c

Prices good Friday and Saturday in HAMLIN.

SAFEWAY

Look how you save with Dynaflow

FIRST thing you notice, of course, is the bother and effort Dynaflow Drive* saves.

Next, that Dynaflow saves you physically—after long trips you're less tense and tired, more relaxed.

But then, as the miles pile up—and this comes from cold, recorded fact after Dynaflow's two years of public operation—you spot savings you hadn't expected...

You save on tires—because power application is steady, even. On clutch expense—the usual friction clutch is gone.

You save on transmission maintenance, and the rear-axle expenses likely to go with it. And the way your engine is oil-cushioned against normal shocks and strains shows up in less engine upkeep.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

You may well discover another pleasant surprise, too.

We are getting a steadily mounting number of well-satisfied letters about gasoline mileage with Dynaflow cars.

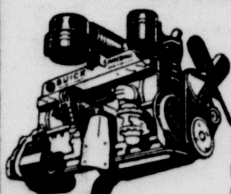

The SPECIAL has shown some records little short of phenomenal. The SUPER is delivering mileage that compares most favorably with gear-shift cars. And the ROADMASTER more than holds its own with cars of its size and bulk.

In short, there's a lot more to please your budget in the 1950 Dynaflow than its new lower price. Refinements over the past two years result in savings that are sizable over the life of the car.

Knowing that, don't you want us to demonstrate the big side of Dynaflow—the utter smoothness of America's first oil-does-it-all drive?

Only Buick has Dynaflow—

and with it goes: **HIGHER-COMPRESSION** Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)
• **NEW-PATTERN STYLING**, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

Matchless Team — DYNAFLOW and F-263

In the Buick beauty pictured here you can have both Dynaflow and Buick's very latest in power. For every 1950 SUPER has the F-263 engine, that lively high-compression stepper that's the big power thrill of the season. Dynaflow Drive is optional equipment at extra cost.
